Tuesday - 5 April 1977

1. [REDACTED] LIAISON Talked with Bill Miller and Earl Eisenhower, Senate Select Committee on Intelligence staff, concerning several matters. (See Memorandum for the Record.)

2. [REDACTED] LEGISLATION Hal Ford, Senator Adlai Stevenson's (D., Ill.) designee on the Senate Select Committee on Intelligence, called in response to our contact with him regarding the possibility of my dropping by to see Senator Stevenson to firm up his support for our position on S. 305, a bill to amend the Securities and Exchange Act which is now pending before the Senate Committee on Banking, Housing and Urban Affairs. Ford said that he understood why it was felt that direct contact by the Agency with Senator William Proxmire (D., Wis.) might not be indicated, and added he did not think it necessary for me to see Senator Stevenson. Ford has talked with him and is convinced that the Senator agrees with our need for the modification to S. 305. I told Ford I wanted to assure him that I was perfectly willing to see the Senator, but was sympathetic to his scheduling problems and would rely on Ford's judgment on this. Ford said he planned to talk to the Senator about this subject this morning and would get back in touch with us.

3. [REDACTED] LIAISON Together with [REDACTED] DD/Pers, and [REDACTED] Contract Personnel Division, attended a meeting with Tom Tinsley, Director, Bureau of Retirement, Civil Service Commission; his Deputy, Herbert Doyle; and Staff Assistant, Craig Pettibone, to discuss the eligibility of Government reemployed CIARDS retirees for further retirement benefits. Mr. Tinsley will review the Commission's existing policy to deny further benefits as soon as [REDACTED] apprises him of the total number of reemployed CIARDS annuitants who would be affected. (See Memorandum for the Record prepared by [REDACTED])

4. [] LIAISON Met with Bill Hogan, Counsel, House Armed Services Committee, and he asked our reaction to a request he had received from Mr. Mueller, in Representative David F. Emery's (R., Maine) office, requesting an unclassified rundown of the Agency's reaction to the allegations being made by General Keegan concerning the Soviet strategic forces. I explained that this information was classified; however, since Mr. Emery is a member of the Armed Services Committee, we would be pleased to brief him personally on the subject. Hogan said he would relay this to Mr. Emery and felt that this is the best way that the matter should be handled. He will let me know Mr. Emery's response.

I briefed Hogan on the Agency's involvement in the current House Judiciary Committee's investigation of Immigration and Naturalization Service's handling of the immigration of alleged Nazi war criminals into the United States.

5. [] LIAISON I called Ms. Pat Wald, Assistant Attorney General, Legislative Affairs Office, who replaced Mike Uhlmann, and discussed the meeting to be held this afternoon called by Chairman Joshua Eilberg (D., Pa.), House Judiciary Subcommittee on Immigration, Citizenship, and International Law, to discuss the Subcommittee's investigation of I&NS' handling of alleged Nazi war criminals to immigrate into the United States. I explained the Agency's position not to grant a blanket clearance to GAO to review the files of I&NS. She was most appreciative of the call and understood the Agency's position. She said she would check to see the reasons why I&NS cannot first screen all of their material and pull out third agency documents for referral and review and that perhaps this could be resolved by meeting time.

6. [] LIAISON Together with [] O/SA/DO/O, attended an informal meeting, called by Chairman Joshua Eilberg (D., Pa.), House Judiciary Subcommittee on Immigration, Citizenship, and International Law, to discuss GAO's investigation of Immigration and Naturalization Service's handling of the immigration into the United States of alleged Nazi war criminals, which is being conducted at the Chairman's request. (See Memorandum for the Record.)

7. [] BRIEFING Received a call from Keith Adkinson, Senate Governmental Affairs Permanent Subcommittee on Investigations staff. The briefing of Senator Sam Nunn (D., Ga.) on the Agency's activities in combatting illegal drug trafficking into the U.S. was set for 12:15 p.m., Thursday, 7 April, in Senator Nunn's office. Adkinson added that he had received two DEA documents which raised concern that the Agency is delving into the tactical collection of foreign intelligence on this subject rather than collecting strategic intelligence in accordance with the President's directive. He would not tell me where he got the documents but said they did not come from DEA. He asked that the Agency review the documents prior to Thursday's meeting since Senator Nunn wants our comments on this matter. I made arrangements for them to be picked up tomorrow morning. Mr. Shackley's, ADDO, office was advised.

8. [] BRIEFING Called [] in Senator Dale Bumpers' (D., Ark.) office, to confirm final arrangements for the Senator's breakfast briefing for Thursday morning. [] said that the breakfast will have to be cancelled as there was a last minute change in the Senator's schedule and he will be leaving the city Wednesday evening. He will be returning on 17 April and they will call to set up another briefing.

9. [] LIAISON Fred Flott, Counselor for International Relations, House Select Committee on Narcotics Abuse and Control, called to express appreciation on behalf of Chairman Lester L. Wolff (D., N.Y.) for the reports on the narcotics situation in several countries which we provided. He informed me that he will be accompanying Chairman Wolff on a trip to Japan, Korea, Indonesia, Thailand and Manila from 7 - 20 April and, though Mr. Wolff is going as Chairman of the Asian and Pacific Subcommittee of the House International Relations Committee to look into the U.S. security assistance programs []

MacDonald confirmed the briefing. I then asked for confirmation of Miller's appointment to speak to the Mid-Career Course group on 8 April and Miller had apparently forgotten about this date. Miller agreed to call tomorrow to tell me if he could make the appearance.

14. [] LIAISON Bernie Heinze, on the staff of Representative Jack F. Kemp (R., N. Y.), called and said that the Congressman wanted to be prepared for possible debate on the House floor concerning the Intelligence Community and CIA in connection with the Defense Appropriation Act. Henize wanted material relating to the needed strengthening of the DCI in the Intelligence Community; rationale for the various entities within the Intelligence Community; organizational issues, including such things as the B Team controversy and the need to insulate intelligence from possible policy pressures. I referred him to some background material; and after he has reviewed the material, he will be back in touch.

15. [] BRIEFING Called Jeff Porro, in the office of Senator Howard M. Metzenbaum (D., Ohio), and told him we would prefer to brief on the question of OPEC capital flow; and since most of the information is in the compartmented field, he, Porro, would not be eligible to sit in. Porro was understanding and will check the Senator's calendar and be back in touch.

16. [] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and referred to his statement that Senator Daniel P. Moynihan (D., N. Y.) had a lingering question on the briefing he had received on the Agee case. I told Miller that we had sent Senator Moynihan a letter which we thought had closed the loop, but we wanted to be sure. Miller will check and let us know whether or not the letter satisfied Senator Moynihan's interests.

Concerning the 7 April Committee session on sensitive collection activities, I reminded him that we were still awaiting confirmation from him that this session could be delayed, and reported a complicated factor had arisen as the Director has a SCC session the morning of 7 April. Miller once again said he would check to see if it could be delayed.
